PROPOSAL

AUSTRALIA SALES MISSION 2023

TCEB'S CONVENTIONS DEPARTMENT

There are several key contributing factors integral to the success of a Sales Mission in Australia being:

- Location – Capital cities with the highest numbers of Convention buyers. These are Sydney and Melbourne
- Venue – Must be attractive to Australian buyers who are constantly invited to trade events and have the option to “pick & choose” those they attend.
- Relevance – Buyers must feel there is value in attending by way of the information they will receive and/or the suppliers they engage with.
- Catering – Quality food is of high importance to Australian buyers.
- Experience – the combination of all these factors including ambiance on the day will be integral to creating a memorable event that the buyers will talk about, creating advocacy for Thailand as a leading destination for Association Convention and to build on the current desire to attend future TCEB events.

Our ultimate goal is to bring more conventions from Australia to Thailand (offshore meetings, joint-meeting, international conferences).

- Organize a sales visit and courtesy visit of at least 5 appointments with international associations, local associations, PCOs, AMCs, congress organizers, conference owners, etc. based in Australia who has the potential to organize their conventions in Thailand, and/or industry associations e.g. PCOA, AuSAE, Association of Convention Bureau, etc.

SYDNEY**CONCEPT & DRAFT FORMAT**

In Sydney we recommend holding a networking event to include key Sydney-based buyers, industry associations, TCEB 'Convention' Team and TCEB ANZ Representatives. In addition to add value to the experience for the buyers, to invite approximately 5 suppliers relevant to the Convention sector. This could include Thai Private Sector already travelling to Australia for the TCEB's Meetings & Incentive Department Roadshow, or locally-based suppliers.

We hold a meeting/sales call with key buyers, and/or industry associations (subject to availability).

MELBOURNE

CONCEPT & DRAFT FORMAT

In Melbourne, we propose that TCEB's Convention Department (C) event be co-located with TCEB's Meetings & Incentives Department (MI) event. This is to make the event more impactful and to maximize the benefits for attendees to hear the latest C and MI news and to network with professionals from both sectors. This suits PCO's located in Melbourne who have a client base of both Association & Corporate clients. Unlike the format in Sydney, the format of the Melbourne event allows for both MI and C presentations. It will also promote Thailand's readiness as a preferred MICE destination in Asia.

We hold a meeting/sales call with key buyers (subject to availability).
